Cockatoo Ridge Wines
Why wouldn't you.

NV Sparkling Burgundy

COLOUR	Deep red crimson.
BOUQUET	The bouquet showcases wonderfully ripe but refined aromas of raspberry, cherry and earthy spice.
PALATE	This wine displays full rich plummy flavours with a fine and persistent bead as well as a soft full and slightly sweet finish.
VARIETIES	Shiraz and Cabernet.
WINEMAKING	Sparkling red is a uniquely Australian wine. The grapes are allowed to reach full maturity to ensure the resultant base wine has richness, flavour and intensity. The secondary ferment softens the tannins and gives the wines complexity while the final liquoring adds flavour and a slight sweetness.
